

January 2017

Dear Parents,

This term, as part of the ReadingZone Festival (www.ReadingZone.com), our pupils will be able to experience an exciting author event with award-winning picture book creator **Rob Biddulph**.

Rob Biddulph's event will take place on Tuesday 31st January, when he will talk about his picture books and developing stories, encouraging children in their own writing and drawing.

His picture books (ages 4-7 years) include:

Blown Away: In which a young penguin takes an unexpected trip far away from his home. This won the Waterstone's Children's Book Award in 2015.

Odd Dog Out: Where a dog who likes to be different discovers that others like her being different, too.

Grrrr: About a bear who has lost his roar and whose friends help him get it back.

Prior to this event we are giving you the opportunity to order a discounted copy of his picture book(s) that will be signed by the author and presented to your child on the day. Books will be priced at £5 each (rrp £6.99).

If you would like to purchase a copy of the following books, please complete and return this form by **Thursday 19th January**. Some orders can be taken after this date.

We hope that this visit will inspire much enjoyable reading!
